

Benfleet Camera Club – Print Competitions arrangements.

For the remainder of this season, we would like to trial a slightly different arrangement for delivery of your prints.

The Monday before the Competition: - please hand in the entry form for the following week.

If you cannot attend on that day, please advise us by the Wednesday evening prior to the competition at the latest, the titles of your photographs – this notification can be by either phoning the Print Secretary or sending an email to prints@benfleetcameraclub.org.uk

The Monday of the Competition: - bring your prints along (by 7.50 pm) and have the normal entry stickers fixed on the back of the mounts. Collect your prints after the competition.

Holiday arrangements:- If you are not going to be there on the evening of the competition, please approach the Print Secretary who will try and accommodate your prints earlier (this is the same arrangement that is already in place)

This will start from Monday 15th Feb, when the entry forms are due in for the Landscape and Seascape Trophy Competition on the 22nd Feb. Bring your Prints on the 22nd.

The Annual competition is not affected by this trial. Prints for the Annual competition to be handed in on the 26th April 2010.
